

18th New England Regional Genealogical Conference

New Englanders: Here, There and Everywhere

October 29 to November 1, 2025

DoubleTree by Hilton, Manchester Downtown
Manchester, NH

October 2024

Dear Genealogy Vendor:

We are excited to be bringing the Eighteenth New England Regional Genealogical Conference (NERGC) back to the great city of Manchester, New Hampshire. The conference will be held, October 29 to November 1, 2025, at the DoubleTree by Hilton Manchester Downtown, with the Exhibit Hall in the Armory Ballroom, just feet from the lecture spaces.

We continue to offer the opportunity to learn from local and national quality genealogical speakers, in a fun, casual, educational format. The enthusiastic genealogists come from the New England area as well as across the county and parts of Canada.

Our nationally recognized speakers for this conference will include **Annette Burke Lyttle**, a researcher, educator, writer and owner of Heritage Detectives, LLC, **Cari A. Taplin**, owner of GenealogyPANTS, administrator on the highly popular Facebook group "The Genealogy Squad" and works for Ancestry ProGenealogists, and **Diahan Southard**, a well-known genetic genealogist, educator, author and owner of *Your DNA Guide*.

As in the past, our conferences are planned to be exhibitor friendly. The generous unopposed exhibitor time, and close proximity to the sessions is one of the reasons many vendors experience more success at a NERGC conference. We feature special benefits such as:

- **A one-day conference registration** with each booth purchased. (Note that meals are not included. Watch our web page and E-zine for information on meal and banquet options.)
- **Exhibit Hall is open two full days** (Friday and Saturday) with additional exhibitor hours on Thursday.
- **Unopposed Exhibitor times:** Generous time slots with no lectures or other events to conflict with your exhibition time.
- **Breaks between lectures:** Allows our attendees casual time between lectures, allowing more time with exhibitors.
- **Two-hour lunch breaks** allowing still more time for product discussion and sales.
- **Exhibit Hall open to the general public:** Free access to the general public to be advertised for increased sales.
- **Optional:** Consider showcasing your booth by providing door prize drawings at your discretion. NERGC provides tickets to conference attendees in the conference registration packet.

As there will be a limited number of booths, it will be important to reserve your space early. The Exhibitor Application, Exhibitor's Agreement, the Terms and Conditions and the Exhibit Hall floor plan are included with this email. Be sure to check our website at www.nergc.org, for more information as it becomes available. Feel free to contact us with any questions or concerns.

We look forward to seeing you in Manchester, New Hampshire.

Sincerely,
Lorraine Roberts
Janice Austin
